A new way to pay and manage your utility bill is here!
Introducing **MyUtilityConnect**

We're excited to offer you a convenient way to make payments, manage usage, and connect with us with our new customer portal and mobile application, MyUtilityConnect.

With a few simple steps, you can begin managing your utility account online and receive these immediate features at your fingertips:

- ➔ Access to your account anytime, anywhere, for quick and secure payments
- ➔ Receive notifications when your bill is about to be due or if you missed a payment
- ➔ Receive notifications and estimated restoration time when unexpected outages occur
- ➔ View current and historical usage to monitor trends

Get started with these simple steps:

1. Visit connect.myutility.us or search "MyUtilityConnect" in the Apple App or Google Play store, or by scanning the QR code at the bottom of this page.
2. Click "Register" and have your account #, zip code and email ready
3. When prompted, fill in the rest of your account information
4. Enjoy the convenience of managing your utility account at your fingertips!

Visit:
connect.myutility.us

Download the app to your mobile device!
